

DESCRIPTION

The 5-in-1 charger cable with cork body and wheat fibre is a versatile and sustainable solution for your charging needs. With a cable length of 125 cm, it offers ample freedom of movement and flexibility. The cable has a USB and Type-C input, allowing you to connect it to different power sources, such as power adapters, power banks or computers. In addition, it offers USB, Micro USB, Type-C and Lightning outputs, making it compatible with a wide range of electronic devices, from smartphones to tablets and other devices. The cork and wheat fibre body not only gives a natural and aesthetic look to the cable, but also reinforces its commitment to sustainability by using eco-friendly materials. The charger cable is presented in a single envelope with an ECO design, demonstrating its focus on waste reduction and environmental care. With the 5-in-1 Cork Body and Wheat Fibre Charging Cable, you can conveniently and securely charge and synchronize your devices, while contributing to a more sustainable lifestyle.
