

DESCRIPTION

The bag made of recycled felt with a vigore design is the perfect option to carry your belongings in a practical and environmentally friendly way. This bag is a sustainable and eco-friendly choice. The vigore design provides a modern and attractive look to the bag, adding style to your look while making sure you are contributing to the conservation of the environment. The 70 cm reinforced handles offer you comfort and strength when carrying the bag, allowing you to carry it comfortably on the shoulder. The recycled felt used in its manufacture is durable and resistant. Furthermore, it has enough space to carry your belongings in an organized manner. By choosing this recycled felt bag, you are helping to reduce the environmental impact, as recycled material has been used in its manufacture. It is a way to show your commitment to sustainability and promote a mindful lifestyle. Opt for a bag that combines style, functionality and sustainability with the recycled felt bag. Carry your belongings in an eco-friendly way and make a difference!
