

500 ml

DESCRIPTION

The stainless steel cup with outer copper coating is a stylish and modern choice for enjoying your favourite drinks. With its 500 ml capacity, this cup allows you to enjoy a good amount of liquid, be it coffee, tea, water or any other drink of your choice. The outer copper coating gives a distinctive and attractive touch to the cup, adding a warm and sophisticated shine to its appearance. Stainless steel ensures its durability and strength, making it a trusted companion for all your daily activities. In addition, the cup comes in a designer box, making it an ideal gift for friends, family or colleagues. This elegant and thoughtful presentation adds a special touch to the product and shows your attention to detail. Whether you use it at home, at the office, or on your travels, this copper-coated stainless steel cup gives you a unique and satisfying drinking experience. Enjoy the quality and style offered by this cup and surprise your loved ones with a special and tasteful gift.
